Schedule

Saturday

0730-0800 Registration
0800-1730 Skill/Learning Sessions

Sunday

0800-1430 Skill/Learning Sessions

Course Goal

The goal of this course is to help participants develop the resuscitation skills and knowledge required to perform their professional roles.

Objectives

Successful Participants will be able to:

- ❑ Demonstrate CPR and BLS skills and the ability to integrate ALS skills into BLS framework
- ❑ Demonstrate the ability to assess and recognize the infant or child at risk of cardiopulmonary failure or arrest
- ❑ Demonstrate cognitive and psychomotor skills necessary for assessment, resuscitation, and stabilization of the infant or child in respiratory distress, respiratory failure, shock, cardiopulmonary failure or cardiopulmonary arrest

Educational Credit

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Virginia Commonwealth University School of Medicine (VCU) and Mary Washington Hospital. VCU is accredited by the ACCME to provide continuing medical education for physicians.

Physicians may claim up to 16.0 hours in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

VCU designates this educational activity for a maximum of 16.0 *AMA PRA Category 1*

*Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Contact hours for nurses will be provided.

MediCorp Health System is approved as a provider of continuing education in nursing by The Virginia Nurses' Association, which is accredited as an approver of continuing education in nursing by the American Nurses' Credentialing Center Commission of Accreditation.

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation, or disability. If special accommodations are needed, please contact Lundy Beard at (540) 741-1568.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart association, and any fees charged for such a course do not represent income to the Association.
